

Canine Adult Wellness Plan 2026

KEEP YOUR DOG HEALTHY FOR LESS WITH OUR MONTHLY PAYMENT PLAN

Regular preventative care is essential for your adult dog's continued health. Our Canine Adult Wellness Plan saves you money on the total cost of recommended preventative care and treatments. Best of all, this plan features budget-friendly monthly payments – making it easy to manage your dog's healthcare costs.

Why does your adult dog need preventative care?

Vaccinations help healthy dogs stay healthy: Vaccinating your dog is the simplest way to keep many contagious and devastating diseases at bay. We'll work with you to recommend a vaccination schedule that's appropriate for your dog.

Diseases can creep up quickly and quietly: Dogs age more rapidly than we do. So even if your dog looks healthy, illness and disease could be lurking undetected. Physical exams and diagnostic tests are crucial for finding problems not visible to the naked eye.

Prevention is the key to better health: Prevention care can improve your adult dog's quality of life and help add more healthy years. It's essential for detecting diseases early on, before they become more serious – and more expensive.
